What if you could have flowers all spring and summer long instead of just on a special occasion?

How does it work? You pay the membership fee upfront and we provide a mixed bouquet of beautiful, fresh, organic flowers:

Once a week for 30 weeks; April through October, for \$450

OR

Once every two weeks for 15 weeks; April through October, for \$225

Flower pick-up will be Saturday mornings at a Lakelands site
