# Let's Green Up

## Leisure World

### **A commitment to planting trees in Leisure World!**

*Trees do more than give shade. Trees combat global warming by absorbing carbon dioxide and producing oxygen, contribute to soil health, retain water, and cool overheated urban areas. By planting more trees here in Leisure World we can help minimize the damage of the climate crisis.*

### **Featuring Caroline Taylor**

*Executive Director of the Montgomery Countryside Alliance*

**Wednesday, March 25, 2020**

2:00 pm in the Potomac Room, Clubhouse 1
