Attention backyard growers in the Ag Reserve!

KindWorks, a local non-profit, and **HarvestShare**, a grassroots initiative, have teamed up to collect **FRESH PRODUCE**, eggs and honey (no meat or dairy) for those in need during these challenging times.

Please consider donating some or all of your extra **back yard bumper crop** to help those in need right here in Up County. Through our partner organizations which provide food directly to families, we will make sure it gets to the right place, in the right time.

We have a number of Collection Sites in the Ag Reserve for you to conveniently drop off any produce in coolers outside these locations.

- 1. 14975 Sugarland Rd., Poolesville** Please leave donations any time in the cooler at the beginning of the driveway.
- 2. 21920 Beallsville Rd., Barnesville** Please leave donations any time in cooler on the driveway, near the house.
- 3. 19731 Bucklodge Rd., Boyds M-F 9AM to 7pm.** Please leave donations in coolers around back under red tent (down driveway to the left)

Please contact me if you have questions about this initiative, would like more information, or would like to help!

Spread the word to your friends in other communities!
